

## Why Not Tokens and Medals?

If you are new to numismatics or have tired of the sameness of coin collecting, add life to your hobby by pursuing the vast variety of tokens and medals.

Tokens and medals preserve history in ways coins do not. Tokens are colorful slices of everyday life you can enjoy and treasure. Medals capture history by commemorating important events, places and persons. In addition, their beautiful designs make them miniature works of art.

Whether your interest is numismatics, history, art or commerce, we invite you to join the **Token and Medal Society**. Through our member network, publications, library, awards program and bimonthly *TAMS Journal*, you will experience virtually unlimited collecting opportunities, broaden your knowledge and reconnect with the hobby.
